**COUNTER COPY  
DO NOT REMOVE**

**SUBJ: SECURITY FOR ELECTRICALLY TRANSMITTED MESSAGES**

1. **PURPOSE.** This order implements within FAA Department of Transportation Order 1640.2, Security for Electrically Transmitted Messages, a copy of which is included as Appendix 1.
2. **DISTRIBUTION.** This order is distributed one copy to five employees in Washington headquarters, regions, centers and overseas area offices. Wide distribution is made to all field offices and facilities.
3. **BACKGROUND.** The provisions of DOT 1600.22, Safeguarding Classified Information, referred to in paragraph 3 of Appendix 1 are incorporated in FAA Handbook 1600.2. Order DOT 1640.1, Control and Protection of "For Official Use Only Information," was implemented within FAA by Order 1600.15D.
4. **IMPLEMENTATION.** All recipients should insure personnel who are normally engaged in official travel are aware of the contents of this directive so as to prepare them in the event it might become necessary for them to transmit classified messages or For Official Use Only information.

  
**JAMES T. MURPHY**  
Director of Air Transportation Security
